All colours, unless otherwise noted, give a glossy finish. It is of course a true lacquer, as used by top guitar makers since the 1950s and dries to a hard glassy finish, unlike others' "pre-cat" lacquer. My lacquer is used by numerous guitar builders and repairers in the UK, including Gibson's London guitar repair centre.

Anyone Can Play Guitar is a documentary film made by Jon Spira, examining the music scene in Oxford over the period starting 1978, but focusing on 1984–2007. The film takes its name from the Radiohead song of the same name.. Through over 300 hours of interviews with band members and other key people in the Oxford music community, distilled down to one and a half hours, the film examines the ...
