Homelessness Homeless Guide Homelessness In

Everything in this guide is based upon a set of underlying principles for good homelessness prevention services.

These basic principles should influence every aspect of program design and implementation. Principle 1: Crisis resolution. Every situation that could

result in homelessness is a crisis for the person experiencing it.

Homelessness Prevention Guide

LGBT (Lesbian, Gay, Bisexual, Transgender) individuals face a particular set of challenges, both in becoming homeless as well as when they are trying to avoid homelessness. LGBT persons face social stigma, discrimination, and often rejection by their families, which adds to the physical and mental strains/challenges that all homelessness persons must struggle with.

LGBT Homelessness - National Coalition for the Homeless

Homelessness is a national issue that is impacting Portland and many other cities. Portland has fewer people experiencing homelessness than other large cities (), but, due to a lack of shelter availability for those in need, our unsheltered population is more visible. Learn more about how
